PHOTO CONTEST

ASBI, in cooperation with the **International Federation for Spina Bifida and Hydrocephalus**, organized the 1° photo contest dedicated to the topic of human rights, inspired by **Art. 27 of the Universal Declaration of Human Rights**, which states: *“Everyone has the right freely to participate in the cultural life of the community, to enjoy the arts and to share in scientific advancement and its benefits”*.

Participants were asked to represent this article with a **shot and a caption**.

This is how this wonderful calendar has been conceived.
